Social and Emotional Thinking

EYFS Framework

Early Learning Goals: Personal, Social and Emotional Development ELG:

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly
 - Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.
 - Be confident to try new activities and show independence, resilience and perseverance in the face of challenge
 - Explain the reasons for rules, know right from wrong and try to behave accordingly
 - Work and play cooperatively and take turns with others
 - Show sensitivity to their own and to others' needs
- Physical Development ELG:
- Negotiate space and obstacles safely, with consideration for themselves and others
 - Demonstrate strength, balance and coordination when playing
 - Move energetically, such as running, jumping, dancing, hopping, skipping and climbing

National Curriculum Content:

KS1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and coordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending
- perform dances using simple movement patterns

National Curriculum Content:

Ks2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination • play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounder's and tennis], and apply basic principles suitable for attacking and defending
- develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- perform dances using a range of movement patterns
- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best

Follow simple instructions.	Follow instructions.	Follow instructions accurately.	Follow instructions from a peer and give simple instructions.	Accurately follow instructions given by a peer and give clear and usable instructions to a peer.	Use clear communication when working in a group and taking on different roles.	Communicate with others clearly and effectively when under pressure.
Share their ideas with others.	Begin to work with a partner and a small group.	Work co-operatively with a partner and a small group, taking turns and listening to each other.	Work collaboratively with a partner and a small group, listening to and accepting others' ideas.	Confidently communicate ideas and listen to others before deciding on the best approach.	Begin to lead others, providing clear instructions.	Confident to lead others and show consideration of including all within a group.
Explore activities making own decisions in response to a task.	Understand the rules of the game and suggest ideas to solve simple tasks.	Try different ideas to solve a task.	Plan and attempt to apply strategies to solve problems.	Plan and apply strategies to solve problems.	Plan and apply strategies with others to more complex challenges.	Use critical thinking skills to form ideas and strategies selecting and applying the best method to solve a problem.
Make decisions about where to move in space.	Copy a simple diagram/map.	Follow and create a simple diagram/map.	Orientate and follow a diagram/map.	Identify key symbols on a map and use a key to help navigate around a grid.	Orientate a map confidently using it to navigate around a course.	Confidently and efficiently orientate a map, identifying key features to navigate around a course.
Follow a path.						
Begin to identify personal success.	Identify own and others' success.	Understand when a challenge is solved successfully and begin to suggest simple ways to improve.	Reflect on when and why challenges are solved successfully and use others' success to help them to improve.	Watch, describe and evaluate the effectiveness of their team strategy, giving ideas for improvements.	Explain why a particular strategy worked and alter methods to improve.	Accurately reflect on when challenges are solved successfully and suggest well thought out improvements.

Y5/6

Take turns.

Learn to share equipment with others.

Share their ideas with others.

Try again if they do not succeed.

Practise skills independently.

Confident to try new tasks and challenges.

Begin to identify personal success.

Choose own movements and actions in response to simple tasks e.g. choosing to travel by skipping.

Begin to provide simple feedback saying what they liked or thought was good about someone else's performance.

Encourage others to keep trying.

Talk to a partner about their ideas and take turns to listen to each other.

Work with a partner and small group to play games and solve challenges.

Show determination to continue working over a longer period of time.

Determined to complete the challenges and tasks set.

Explore skills independently before asking for help.

Confident to share ideas, contribute to class discussion and perform in front of others.

Make decisions when presented with a simple challenge. E.g. move to an open space towards goal.

Begin to select and apply skills to use in a variety of differing situations. E.g. choose to use a balance on their bottom on a wider piece of apparatus.

Provide feedback beginning to use key words from the lesson.

Encourage and motivate others to work to their personal best.

Work with others to achieve a shared goal.

Work with others to self manage games.

Persevere when finding a challenge difficult.

Understand what their best looks like and they work hard to achieve it.

Begin to use rules showing awareness of fairness and honesty.

Show an awareness of how other people feel.

Pupils make quicker decisions when selecting and applying skills to a to move.

Select and apply from a wider range of skills and actions in response to a task.

Provide feedback using key terminology.

Share ideas with others and work together to decide on the best approach to a task.

Lead others and show consideration of including all within a group.

Communicate with others clearly and effectively.

Understand what maximum effort looks and feels like and show determination to achieve it.

Use different strategies to persevere to achieve personal best.

Compete within the rules showing fair play and honesty when playing independently.

Confident to attempt tasks and challenges outside of their comfort zone.

Reflect and evaluate their performances both as a group and as an individual and suggest areas for improvement.

Recognise and explain their thought process when playing games or completing tasks. E.g I moved here because my teammate was over there.

Identify their own and others' strengths and areas for development providing sensitive feedback and can suggest ways to improve.

Select and apply appropriate skills for the situation when under pressure.

**Scheme of Work
EYFS- Y6**

Key Features of Outstanding PE

Assessment

Progress and understanding is monitored throughout

Use of self and peer assessment

Questioning is used to check understanding and consolidate learning.

Inclusive and Challenging

Pupils are appropriately challenged

Teaching style is adapted to meet the needs of the learners

High Activity Time

Equipment is used effectively when required

Queues and games where pupils get 'out' are avoided

Reduced teacher talk
Transitions are well thought out

Planning

Planning is progressive and sequenced

Sits within a wider scheme

Activities meet the learning objective

Shows consideration to cross curricular links

Child Development

Lesson objectives are inclusive

Pupils are given opportunities to develop social, emotional and cognitive skills

Safetu

Safe Planning

Teachers and pupils are appropriately dressed

The area is checked and safe for use

The activities are safe and age appropriate

Engagement

Pupils are encouraged to contribute and there is an eagerness to do so

Clear behaviour management that follows school procedures

Learning

Build on previous learning

Inclusive learning objectives which are discussed throughout the lesson

Pupils use key vocabulary

PE Long Term Plan

EYFS

Autumn - Outdoor - Introduction to PE

Unit 1
In this unit, children will be introduced to Physical Education and structured movement through the topic of 'fantasy and adventure'. They will spend time learning basic principles of a PE lesson such as finding space, freeing on command, using and sharing equipment and working individually, with a partner and group. They will take part in activities, which will develop fundamental movement skills such as running, jumping, skipping.

Unit 2
In this unit, children will be introduced to Physical Education and structured movement through the topic of 'everyday life'. They will spend time learning basic principles of a PE lesson such as safely using space, stopping safely, using and sharing equipment and working individually, with a partner and group. They will take part in activities which will develop fundamental movement skills such as running, jumping and skipping. Children will also play simple games and begin to understand and use rules.

Autumn - Indoor - Fundamentals

Unit 1
In this unit children will develop their fundamental movement skills through the topic of 'all about me'. Fundamental skills will include balancing, running, changing direction, jumping, hopping and travelling. Children will develop gross motor skills through a range of activities. They will learn how to stay safe using space, working independently and with a partner.

Unit 2
In this unit children will develop their fundamental movement skills through the topic of 'places and spaces'. Children will develop skills of balancing, running, hopping, jumping, travelling and changing direction. Children will develop fine and gross motor skills, through handling equipment. They will learn how to stay safe using space. They work independently and with a partner to complete tasks.

Spring - Outdoor - Ball Skills

Unit 1
In this unit children will develop their ball skills through the topic of 'minibeasts'. Children will develop fundamental ball skills such as rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball. Children will be able to develop their fine and gross motor skills through a range of game play using a variety of equipment. Children will be given opportunities to work independently and with a partner.

Unit 2
In this unit children will develop their ball skills through the topic of 'weather'. Children will develop fundamental ball skills such as throwing and catching, rolling a ball, using targets, dribbling with feet, kicking a ball, bouncing and catching a ball. Children will be able to develop their fine and gross motor skills through a range of game play with balls. Children will work independently and with a partner and will develop decision making and using simple tactics.

Spring - Indoor - Gymnastics

Unit 1
In this unit, children will develop their basic gymnastic skills through the topic of 'animals and their habitats'. Children explore basic movements, creating shapes, balances, and jumps and begin to develop rocking and rolling. They show an awareness of space and how to use it safely and perform basic skills on both floor and apparatus. They copy, create, remember and repeat short sequences. They begin to understand using levels and directions when traveling and balancing.

Unit 2
In this unit, children will develop their basic gymnastic skills through the topic of 'traditional tales', to include 'Jack and the Beanstalk' and 'Goldilocks and the Three Bears'. Children explore basic movements, creating shapes and balances, jumps and rolls. They begin to develop an awareness of space and how to use it safely. They perform basic skills on both floor and apparatus. They copy, create, remember and repeat short sequences. They begin to understand using levels and directions when travelling and balancing.

Summer - Outdoor - Games

Unit 1
In this unit, children will develop their understanding of playing games through the topic of 'transport'. Children will practise and further develop fundamental movement skills through games. They will also learn how to score and play by the rules, how to work with a partner and begin to understand what a team is, as well as learning how to behave when winning and losing.

Unit 2
In this unit children will practise and further develop their fundamental movement skills through the topic of 'around the world'. Children will learn and develop these skills by playing a variety of games. They will also start to understand how to work as a team, take turns, keep the score, play against an opponent and play by the rules.

Summer - Indoor - Dance

Unit 1
In this unit, children will develop their expressive movement through the topic of 'everyday life'. Children explore space and how to use space safely. They explore travelling movements, shapes and balances. Children choose their own actions in response to a stimulus. They are given the opportunity to copy, repeat and remember actions. They are introduced to counting to help them keep in time with the music. They perform to others and begin to provide simple feedback.

Unit 2
In this unit, children will develop their expressive movement through the topic of 'places'. Children explore space and how to use space safely. They explore traveling actions, shapes and balances. Children choose their own actions in response to a stimulus. They also are given the opportunity to copy, repeat and remember actions. They continue to use counting to help them keep in time with the music. They explore dance through the world around them. They perform to others and begin to provide simple feedback.

EYFS END OF THE YEAR STATEMENTS:

All children should be able to:

- Negotiate space and obstacles safely, with consideration for themselves and others.
- Demonstrate strength, balance and coordination when playing.
- Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

PE Long Term Plan

Year 1

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Invasion	Gymnastics	Dance	Sending and Receiving	Athletics	Striking and Fielding
<p>Pupils develop the basic skills required in invasion games such as sending, receiving and dribbling a ball. They develop their understanding of attacking and defending and what being 'in possession' means. They have the opportunity to play uneven and even sided games. They learn how to score points in these types of games and how to play to the rules. They work independently, with a partner and in a small group and begin to self-manage their own games, showing respect and kindness towards their teammates and opponent.</p>	<p>In this unit pupils learn to use space safely and effectively. They explore and develop basic gymnastic actions on the floor and using low apparatus. Basic skills of jumping, rolling, balancing and travelling are used individually and in combination to create movement phrases. Pupils are given opportunities to select their own actions to build short sequences and develop their confidence in performing. Pupils begin to understand the use of levels, directions and shapes when travelling and balancing.</p>	<p>Pupils will explore travelling actions, movement skills and balancing. They will understand why it is important to count to music and use this in their dances. Pupils will copy and repeat actions linking them together to make short dance phrases. Pupils will work individually and with a partner to create ideas in relation to the theme. Pupils will be given the opportunity to perform and also to provide feedback, beginning to use dance terminology to do so.</p>	<p>Pupils will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball. Pupils will be given opportunities to work with a range of different sized balls. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will understand the importance of abiding by the rules to keep themselves and others safe.</p>	<p>In this unit, pupils will develop skills required in athletic activities such as running at different speeds, changing direction, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently.</p>	<p>Pupils develop their basic understanding of striking and fielding games such as Rounders and Cricket. They learn skills including throwing and catching, stopping a rolling ball, retrieving a ball and striking a ball. They are given opportunities to play one against one, one against two, and one against three. They learn how to score points and how to use simple tactics. They learn the rules of the games and use these to play fairly. They show respect towards others when playing competitively and develop communication skills.</p>

YEAR 1 END OF THE YEAR STATEMENTS:

All children should be able to:

- Copy repeat & explore simple skills with basic control & coordination in a range of sports.
- Start to link skills & actions in ways that suit the activities.
- Can use skills learnt in small sided game situations.
- Describe & comment on their own & others' actions.
- Talk about how to exercise safely & how their bodies feel during an activity.
- Begin to communicate effectively in a team.

PE Long Term Plan

Year 2

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Sending and Receiving <p>Pupils will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball. They will also use equipment to send and receive a ball. Pupils will be given opportunities to work with a range of different sized balls. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will understand the importance of abiding by rules to keep themselves and others safe.</p>	Dance <p>Pupils will explore space and how their body can move to express an idea, mood, character or feeling. They will expand their knowledge of travelling actions and use them in relation to a stimulus. They will build on their understanding of dynamics and expression. They will use counts of 8 consistently to keep in time with the music and a partner. Pupils will also explore pathways, levels, shapes, directions, speeds and timing. They will be given the opportunity to work independently and with others to perform and provide feedback beginning to use key terminology.</p>	Gymnastics <p>In this unit pupils learn to explore and develop basic gymnastic actions on the floor and using apparatus. They develop gymnastic skills of jumping, rolling, balancing and travelling individually and in combination to create short sequences and movement phrases. Pupils develop an awareness of compositional devices when creating sequences to include the use of shapes, levels and directions. They learn to work safely with and around others and whilst using apparatus. Pupils are given opportunities to provide feedback to others and recognise elements of high quality performance.</p>	Invasion <p>Pupils develop their understanding of invasion games and the principles of defending and attacking. They use and develop skills such as sending and receiving with both feet and hands, as well as dribbling with both feet and hands. They have the opportunity to play uneven and even sided games. They learn how to score points in these types of games and learn to play to the rules.</p>	Striking and Fielding <p>In this unit, pupils develop their understanding of the principles of striking and fielding games. They develop the skills of throwing and catching, tracking and retrieving a ball and striking a ball. They begin to self-manage small sided games. Pupils learn how to score points and play to the rules. Pupils will begin to think about how to use skills, strategies and tactics to outwit the opposition appropriate to the situation.</p>	Athletics <p>In this unit, pupils will develop skills required in athletic activities such as running at different speeds, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently. They learn how to improve by identifying areas of strength as well as areas to develop.</p>

YEAR 2 END OF THE YEAR STATEMENTS:

All children should be able to:

- Begin to show balance and co-ordination when changing direction.
- Show some control and balance when travelling at different speeds.
- Can respond appropriately in small games situations showing an awareness of tactics.
- Can see similarities and differences in their own and others' work and tries to improve.
- Knows the reasons for warm-up/cool-down activities & why physical activity is good for them.
- Can create dance/ gymnastic sequences with a partner and in a small group.

PE Long Term Plan

Year 3

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Hockey	Gymnastics	Fitness	Tag Rugby	Athletics	Netball
<p>Pupils will learn to contribute to the game by helping to keep possession of the ball, use simple attacking tactics using sending, receiving and dribbling a ball. They will start by playing uneven and then move onto even sided games. They will begin to think about defending and winning the ball. Pupils will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition. Pupils will understand the importance of playing fairly and keeping to the rules.</p>	<p>In this unit pupils focus on improving the quality of their gymnastic movements. They are introduced to the terms 'extension' and 'body tension.' They develop the basic skills of rolling, jumping and balancing and use them individually and in combination. Pupils develop their sequence work, collaborating with others to use matching and contrasting actions and shapes and develop linking sequences smoothly with actions that flow. Pupils develop their confidence to perform, considering the quality and control of their actions.</p>	<p>Pupils will take part in a range of fitness challenges testing and record their scores. They will learn about different components of fitness; speed, stamina, strength, coordination, balance and agility. Pupils will be given opportunities to work at their maximum and improve their fitness levels. They will need to persevere when they get tired or when they find a challenge hard and are encouraged to support others to do the same.</p>	<p>In this unit pupils will learn to keep possession of the ball using attacking skills.
